From the Principal's Desk

My Dear Parents,

Our Robotics team, Laker Galaxy Engineers, had their first Robotics competition last Saturday at Marysville Middle School. The team did very well placing 10th out of 22 teams. But the best part was the team work award. The Laker Galaxy Engineers took first place in Team Work. I am so proud of the way each of them represented our school in such a positive way. The team member are: Sylvia Behnan, Alexis Buchheister, Cameron Houghtaling, Giovanni Leyva, Weston Parraghi, Landon Dietlin, Nate Schneider, and Luke Touchette. The coaches are Mrs. Forro and Avery Forro and the mentors are Mrs. Brown, Mr. Wattle, and Mr. Svacha. The team's sponsors were Richard Talaski, Cawood Honda, Blue Water Orthodontics, Family Dentists, Zimmer Roofing, How2winscholarships.com, Len's Pool and Spa, Joann Wine and Associates, Ben's Mighty Mole, McNulty Electric, and Kathryn Dietlin.
