

Dear Parents,

Welcome to St. Edward's Littlest Angel Pre-School! Our goal is to get your child's school years off to a good start by making learning fun while teaching the basic skills necessary for success in Kindergarten.

Our Preschool is filled with inviting educational materials to promote exploration, choice-making, cooperation, social skills, order, and concentration. Feel free to ask questions after school about any of our learning toys.

**Notes:**

1. Send a healthy lunch for full day students.
2. A snack for both full- and ½-day students.
3. Birthday treats are welcome. No cupcakes please
4. Full day children need to bring a small blanket for nap.
5. Tennis shoes are required and necessary for gym and play.

After the first week of school, please say goodbye outside the door and allow your child to come in on his/her own.

Thank you for your cooperation!

Sincerely,  
Ms. Sterling
