## Santa Shop 2023

Ho Ho Ho! Santa Shop is the merriest day of the school year and it is quickly approaching! With the help of parent/grandparent volunteers, we can make it the most magical Santa Shop yet. We are in need of several volunteer "elves" to help students shop for their loved ones, wrap gifts, and assist with snack/craft time!

## Background Checks and Protecting God's Children Refresher Course Requirements

The AOD Office of Child and Youth Protection has implemented new requirements for all employees and volunteers who work at the school, along with parents wishing to attend field trips with their child during the year. The Protecting God's Children Program and training has been updated and anyone that completed their PGC class prior to January 1, 2020, are required to take a refresher course module online. Those that need to take this module should have received an email, but if you didn't, due to using an older email at the time that is no longer in use, you can go onto the Virtus site at the below address, log into your account, and take the two-hour session. It is self-paced and doesn't need to be completed in one sitting. Once you are done, please print a copy of the certificate for us to have on file here in the office. As was mentioned above, this refresher module will pertain to ALL family members that volunteer at the school, attend field trips, etc. We will have access to the list of people that need the refresher, and will be cross checking before you are allowed to work, volunteer or attend field trips with your child. If you took the PGC class BEFORE January 1, 2020, you will need to take the online refresher module.

You can access the Virtus site at

IF YOU HAVE DIFFICULTY ACCESSING YOUR ACCOUNT, WE CAN RETRIEVE YOUR ID AND GIVE YOU A NEW PASSWORD. IF YOU ARE TAKING THE ACTUAL COURSE AND ARE LOGGING IN FOR THE FIRST TIME, YOU WILL NEED TO CREATE AN ACCOUNT BEFORE REGISTERING FOR THE INITIAL COURSE.

#### -Background Check Forms:

We recently sent home a hard copy Background Check form for our parents to fill out to be background checked. Per new AOD guidelines, everyone involved with our school that volunteers will also need to be background checked every TWO years. In the past, this was done one time, and you were good to go. This is no longer the case, as we look to ensure the utmost safety for our students and staff here at St. Ed's. If you have other extended family that volunteers or attends field trips at our school, they will also need to fill out the form and be background checked as well. If you have not filled this form out yet, please do so and send back to the office. We would like to get these completed this month before field trips and other on-site opportunities take place for our families to take part in. Thank you for your help with this.
