St. Edward on-the Lake
Catholic School

September 17, 2020

Mission Statement

We at St. Edward on-the-Lake Catholic School, work together with our families and community to create a Christ-centered environment which promotes Catholic faith formation, academic excellence, and personal development.

Our students will have the opportunity to become confident, independent thinkers, and life-long learners who are responsible to God, to themselves and to society.

From the Principal's Desk

Greetings Everyone,

After writing approximately 282 Lakers, this will be my last one. I want to let all the parents know what a wonderful group of students we have this year. They are curious, respectful, eager learners, and a joy to be around. Thank you for sharing your children with us. I also want to thank you for all your support and kind words this year and in all the years past. It will be a very bitter-sweet day on Friday, when I say goodbye to all of you. I will cherish all of the wonderful memories that have been made while I have been here.

I have made an error on this year's calendar. Originally, Monday, September 28th was to be an in-service day with Archbishop Vigneron. That has been cancelled but all schools in our Blue Water Vicariate will be using it as a regular in-service day. **Therefore, there will be no school for students on Monday, September 28th.** I am sorry for any inconvenience this may caused.

I know that you parents have been given a mountain of paperwork to fill out, but it is important that you return it to Mrs. Svacha as soon as possible. She has many reports to do and cannot complete them until she has your information. Also, the emergency cards need to be filled out completely on both side. It is so important that we have correct information in case we need to get in contact with you.

Many of you met Mr. Metty on our Zoom PTO meeting last night. He spent yesterday with us and was with us again today. He had a good time with the children during their recess and is working very hard at learning all the students' names. Mr. Metty will be a great addition to our school.

We have revised our schedule for Friday Mass. The students preschool through 1st grade will have Mass live-streamed to their classrooms. This allows Ms. Sterling, Mrs. O'Mara, and Mrs. Young to explain what is happen during the Mass without having to talk in church. As we reconfigure seating in the church, the first grade will begin attending.

Picture day is Tuesday, September 22nd. Pictures will start being taken at approximately 8:15. Mrs. Svacha has given Mr. Bert, from Keepsake Video, a list of your email addresses and cell phone numbers. You will access your child's photo gallery from a link which Mr. Bert will send to each individual family.

We are still in need of a driver for our bus. If you know of anyone who might be interested, please have them call the school. We would like to get bus transportation started as soon as possible.

If you have any questions or concerns, please don't hesitate to talk with your child's teacher, Mr. Metty, or me.

God Bless you and I will miss you all.

With heartfelt love to all of you.

Mrs. Appel

2020-2021 Feelin' Good Mileage Club

The Feelin' Good Mileage Club provides the opportunity for all of our students, grades PreK through 5th Grade, to walk for fitness.

Great things are happening this year. The first billing statement for **Milk, Aftercare, and Bus** will be on **October 1st**.

This year we are asking all families to not send cash to school; please pay everything online with FACTS.

Please remember that a 3.5% charge will be added if paying with a debit or credit card.

Questions ? Call the school office

Please

*Remember to call the school if your child will miss school for any reason. If it is after hours just leave a message and we will receive it in the morning.
Thanks*

BOX TOPS

Box tops cut from products can no longer be accepted at the school.

But the great news is we can still have our families help! How? All you need is your phone and the All-New Box Tops app.
